

Making fruit skewers in Room 24

Merriwa Education Support Centre

Dear Parents & Families,

Year 5 Leadership Speeches
I recently had the privilege of listening to several of our Year 5 students present their speeches for our student leadership positions. Each student spoke with confidence, enthusiasm, and a genuine commitment to making a positive difference within our school community. Their thoughtful ideas, courage to step forward, and willingness to serve others made us incredibly proud. These students are developing into mature, responsible young people, and they should be commended for the outstanding effort they put into preparing and delivering their speeches. We look forward to seeing them continue to grow as future leaders. Student Leaders for 2027 will be announced before the end of term, they will receive their badge at an assembly next year.

A Busy Time of Year
As we approach the end of Term 4, our school calendar is filled with exciting events and activities for students to enjoy. While this is a wonderful time of celebration and achievement, it can also be a very busy and tiring period for both children and families. I encourage everyone to take care of themselves, make time to rest, and maintain a healthy balance amidst the end-of-year excitement.
We look forward to seeing you at the school events in coming weeks.

I would also like to acknowledge our fabulous group of mums who co-ordinate our P&C committee. The incredible work they have done to raise funds for our school this year has been admirable. Please take advantage of the Christmas stall next week.

Kind Regards,
Karen Macri
Principal

Room 32 Excursion

Students from Room 32 recently enjoyed a wonderful Community Access Program excursion to Addison Park. The day provided a great opportunity for students to engage with their community, enjoy the outdoors, and participate in a range of fun activities. Smiles were everywhere, and it was clear that a fantastic time was had by all.
