

Merriwa Education Support Centre

Dear Parents & Families

We would like to extend our sincere thanks to the P&C Committee for the delicious morning tea provided in celebration of Australian Primary Principals' Day. Our Associate Principals were also invited to celebrate the great work of our leadership teams in both schools.

Your generosity and thoughtfulness were greatly appreciated and helped make the day extra special. Thank you for your ongoing support of our school community.

Multicultural Day

Last week, students celebrated Multicultural Day and enjoyed a range of engaging classroom activities that highlighted diversity, inclusion, and respect for all cultures. It was a wonderful opportunity for students to learn about and appreciate the rich cultural backgrounds that make up our community. Well done to our senior students who created an informative video clip to share facts about their research continent: North America as part of the campus project.

Room 23 News

The Room 23 Maths Group have been working hard this term developing their maths skills. Students have been learning to skip count, solve simple addition problems, and explore grouping in different ways.

Through our fun and engaging streaming maths sessions, students have enjoyed showing what they know, sharing their thinking and building confidence with numbers. We are very proud of their effort and progress!
